Behavioral Group Home Investor seeking Operations Guru (Glendale/Peoria)

I am looking to partner with an experienced or behavioral residential treatment expert who's been doing it for a long time and has relations with case managers and clinics. I had experience housing SMI's as a landlord and managed group homes.

I have done my home work for some time now, have enough funding and I am ready to go.

If you are a person with integrity and business savvy, let us partner to open, and operate successful behavioral homes.

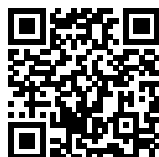

e-mail me with your information and experience so we can connect.

I am also exploring outpatient clinics and independent living.
