

# 55 Gallon complete saltwater setup (Anchorage)

Location **Alaska**  
<https://www.genclassifieds.com/x-570435-z>

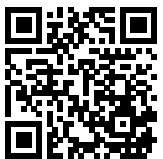

Just upgraded our tank to 120, have a complete 55 gallon setup - sump, return pump, lights, stand, overflow, power heads. This tank is not the typical 55 gallon (long and skinny) but is wider and shorter than normal in excellent condition. Plenty of room for landscaping ... no reasonable offer.
