2001 Toyota Sequoia four-wheel-drive runs great body has 221,000+ miles on it engine has about 10,000 miles on it but this is my daily driver so will go up. Put on a brand-new set of Dick Cepeck rims and a crossover of mud and all-terrain tires 4000 miles ago runs and drives great it seats eight people third row seating is removable cloth interior air conditioner will freeze you out asking 5000 or would consider trades for a motorcycle plus
