I am looking for an amateur massage from a female (sorry guys). I will be in Boston from Sunday the 19th thru Wednesday 22nd at the Westin Boston Waterfront hotel. I am NOT looking for a "happy ending", just an hour long massage from someone. You don't have to be a pro, just someone that is good with your hands. I am a 50 year old professional man with an athletic build in good health. \$40 for the hour. If we both enjoy ourselves maybe we can get a couple in before I leave.
