I am a professional educator, I help little ones learn many things, I am an emotional support, I nurture your little ones and I am nutritionist making sure they eat healthy foods, a physical trainer making sure they get plenty of exercise, a health and safety specialist keeping your children safe in my care, a coach helping the little ones to learn cooperation and sharing, but one thing I am not is a babysitter. I Would love to talk to hard working moms and dads. Available hours 6am-6pm and 7pm-7am Monday-Friday, 6am-300pm and 4pm-11:30pm or 7pm-7:30am on Sat and Sun. All meals, snacks and milk provided. Free gifts for infants and toddlers. Also we go on field trips, next trip is to the zoo in August, parents are welcome. Thank You and feel free to contact Miss Pat and Miss.
