- We are fully insured and will send you a friendly, experienced crew trained to take all the stress out of your move. Our hourly rate for 2 men with a fully equipped truck is \$65.00 per hour.
- We will move your apartment, home or office with no hidden charges as we go strictly on an hourly rate.
- We are a full service moving company and will do professional packing if needed as well.
- Want a flat rate no surprise price? Just tell us what we will be moving and the locations from and to and we will give you a guaranteed flat rate price.
