

Real Estate Rehabs, from A to Z type work needed from time to time (Marion County)

Location **Indiana**
<https://www.genclassifieds.com/x-571529-z>

We have clients that need work done all the time (over 450 homes under management) a lot of Code enforcement issues and looking for quick and reliable help to take care of the situations that arise.

Do you have experience with the code enforcement office, their inspectors and their rules on completing projects?

If so email me back and we can meet and see we can work together
