I am a caring, non-smoking mother of three (a newborn, a 4 year old and a 7 year old) looking to fill child care openings in my home for the end of August. I taught middle school mathematics for 8 years and have been a stay at home mom for 4 years. I'm available 7:00am - 4:00pm full or part time. I follow the Chicago Public School calendar closings.

I do not charge to hold your spot during spring, winter or summer breaks.

Children are given an enriching, safe, stable, nurturing and FUN environment. Our days include walks, parks, books, music, toys and playing in a safe and enclosed yard as well as naps and nutritional meals that I provide.

I know that finding childcare takes time and is stressful. I would love to discuss your needs and expectations. Please pass this on to anyone that might be looking for reliable child care.
