1994 Cummings 30ft pusher Allison transmission 5000 miles automatic 33k MI LP
Cummings 30ft pusher Allison transmission 5000 miles automatic 33k MI LP
The 30ft only 33,000 miles pusher comes with a low hour 6000 generator. I have kind of
engine or transmission the engine runs smooth powerful turns over every time the transmission ships
perfect lots of new carpet and batteries with warranty tires are great no dry rot matching 22.5 inch wheels
it is not in Rust bucket not a piece of junk
Needs interior attention to nothing major
Call now only if you're ready to look at it today
