Hi, my name is Jenny. I'm 34-yrs young lol. I babysit in my home & have tons of experience & references available also. I am a single mom of an 10 yr old boy & a 8 yr old girl. I have worked at 2 daycares in Avon & have continued to babysit at home since I've had my own children so I can also raise them. I am also familiar w/caring for special needs children, as my daughter has spina bifida and I've babysat for a boy w/autism from the time he was 10 mths old to his teenage years & I'm still very close w/his family. I love kids, have patience, and a big heart. We live in a clean home w/a huge yard. We have tons of toys, books, art supplies, etc. inside & outside we have a swingset, sandbox, playhouse, and tons of room to run & play. Also we have a nice basement w/toys so we are still able to get exercise on rainy days. Our home is completely smoke/tobacco, drug, & alcohol free. My rate is \$20 a day w/just an additional \$10 a day added for any additional siblings. My hours/days are very flexible & I try to work w/families & also can provide care on evenings, overnights, and weekends if needed occasionally. I do provide meals, snacks, & drinks, but I do appreciate if the families can occasionally send a snack or bottle of juice to help. Also for infants I ask that you provide everything they need including diapers, formula, baby food etc. If you have any questions or would like to meet to see our home please feel free to call, text, or email. Thanks for reading, take care, and have a great summer!
