Don't hate me because I am gorgeous and chicks dig me,

Drummer Wants to jam for fun tonite. I dont have a drum kit but I will play on anything if you have it. . I will travel, classic rock, just want to kick back and jam with some peeps that are just laid back not too serious, don't take them selves seriously and lets see if anything can materialize. My chops are getting proficient, working on singles, doubles, moeller technique, flams, diddles, I have a great voice also, and swagger and sex,
