I am an expecting mother whom was just laid off, with first aid, CPR, and Heimlich maneuver knowledge on infants to adults. I am available for childcare in my home Mon- Fri from 7am - 10pm and Saturdays from 8am to 8pm. I have a young daughter of my own and am looking to babysit for a little extra income as opposed to having to acquire two jobs and not be at home with my daughter. I also have been turned away from jobs, due to me expecting. I only charge \$80.00 for 5 days per child. I can work something out for less or more days. I am a very caring and nurturing woman trying to take care of my child and help those who are in the same situation as myself. Please contact me by replying to this post and I will respond as soon as I receive it. Thank.
