I need to rehome my 10 week old male Yorkie mix. His name is Charlie, he is very friendly and playful, good with kids and other dogs, and weewee pad trained. I took him in from a friend as a baby and bottlefed him because the mother was unable to, but I need to rehome him because I just had a baby and can no longer give Charlie all the attention he deserves. If you're interested in rehoming him please text me at

. Serious inquires only. There is a rehoming fee of 450.
