Selling a pair of 1995 Kawasaki ZXI 900 Jet Skis

They both run fine, but they haven't been out on the water in a few years
Not in the best condition.

One ski has a small damaged area on the bottom that has been poorly repaired. (pictured)

The skis are complete and do run.
I have paperwork for the skis but not the double trailer.

They are being sold as is, where is.

I am open to the best offer, but I will not give them away.
