Vintage 1952 Columbia RX-5 bike. Limited Edition 5 Star Model Repro. 75th Anniversary Commemorative.

This is the coolest beach bike out there. Front shock, horn tank, light, leather seat, rear tail light. The bike has minor dings and scratches.

I have original Certificate of Authenticity and Owners Manual - also original touch-up paint. I think it just needs a nice pair of handlebar streamers!

\$550 or reasonable offer.

Cash.
