I am a professional photographer with over 15 years of experience covering weddings, corporate galas and award ceremonies.

Inspired by master photographers (like Man Ray, Richard Avedon, Henri Cartier-Bresson and Margaret Bourke White), my style comes from a mix of my photojournalist training and commercial, fashion and editorial photography experience. I love covering events and my typical client loves photography and knows what they are looking for.

My documentary approach is unobtrusive while getting you great candid shots that are creative and fun. On your wedding day, I will do for you what we do best, SHOOT. I won't try to sell you albums or prints. Once I have photographed your event, you get the Hi-Resolution files on a disc (with rights to share or print them whenever and wherever you like).

I have photographed weddings all over the New York City Metro Area (Manhattan, Central Park, Chelsea, Upper West Side, Upper East Side, Downtown, Times Square, Grand Central Station, Tribeca, SoHo, Brooklyn, Dumbo, Park Slope, Williamsburg, Long Island City, Hoboken, Jersey City), the outer suburbs (Long Island, The Hamptons, Westchester Co., Rockland Co., Dutchess Co., Connecticut, New Jersey) and out of our area (Hudson Valley, New Paltz, Red Hook, Rhinebeck, Hudson, Cold Springs, Tarrytown, Nyack, Upstate New York, Albany, Buffalo, Washington DC, Baltimore, Boston, Cape Cod). I cover all locations within 60 miles of Times Square at no additional travel cost.
