We have a 2003 Chevy Silverado 1500 extended cab Z71 for sale. It has a 5.3 V8 motor. It has 121,000 miles on it. It runs great and is clean inside. There is a little rust on the fenders and the bottom of the door (this is pretty common for Chevys in these years). It is a two owner truck and I have owned it for the last six years. Please call, text or e.
