Small family owned and operated contracting company since 1976 is looking to hire sub crew and or workers to help get work orders complete. We specialize in the exterior of a home. All types Roofing, masonry such as brick pointing stucco and concrete, siding, windows, capping and more. I'm looking for professional clean work. Please take pride in what you do. As we made a name by providing quality craftsmanship. Please respond with brief description of what your skills are and how could you asset our company. Also include if you have truck, tools, crew what's your rate per hour/day or can figure out piece work pricing. Please serious only. Need guys I can trust, who can get the job done in timely fashion and provide quality.
