Hiya!

Ok, first off, I am for real and this offer is for real! Why am I hear?
 Because I am just looking for a couple girlfriends who are attractive, sweet, outgoing, NO-DRAMA and open-minded and just tired of not making enough \$\$ and having enough free time for doing things you like! I am absolutely sure you will not be disappointed! I am VERY busy and well established and need another girlfriend or two who would like to start now! This is 100% real!

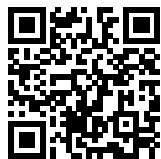

I am 28yrs old, fit, friendly and healthy (former regional manager of National Bank) But got tired of the desk and meager pay and wanted to make even more \$\$\$ and have more time for playing! So I can guarantee if you only work 2-3 hours a day, Monday-Friday, you will make at least \$2500/week.
 You can make more if you want too! Its up to you. You can set your own schedule also and even take weekends off!

Perfect for single fun girls, students, single mothers or maybe you just want to spend more time enjoying the summer and less time working, either in an office, restaurant or retail job.

So if you are ready, healthy, attractive, love meeting new people and also open-minded and friendly, This is what you want to do!!! If you need or want to start making \$\$\$ right away and also want to spend more time at the beach, with family or just personal time, email me now!
