I have 2 babies that are almost 8 weeks old that need forever homes. They are chihuahua/dashaund mixes who will be between 7-10 pounds full grown. They are happy and playful around 1 1/2 to 2 pounds right now. They are pad trained, eating dry and canned food, kid and big dog tested and ready to go. There is a \$150 dollar rehoming fee to ensure good homes. There is 1 male and 1 female. Please email with any questions!!
