super fast auto transport and car shipping

Location **California** https://www.genclassifieds.com/x-624551-z

Younger students might not get a full hour if their fingers get to tender to play. We will practice until they say ouch.

I do have a waiting area for parents of younger students where you can sit and hear the entire lesson. Already being used parents.

Summer vacation is coming! Lots of space for summer lessons!

I'm currently accepting new clients!

Private or Semi-private coaching sessions improve your swimming technique and skills faster for all ability levels. Sliding scale available.

Where: There are several public pools that have great facilities for learning and training (see...)
