I rent a 3 bedroom, 2 bathroom house. I am 31 black f. with 1 daughter and looking for a f. that is kid friendly and willing to share kitchen, laundry room and bathroom. I don't mind if you have kids. No men please and no couples. I would like someone who is trustworthy and working. Not looking for someone that may have people in and out because my daughter is here. I just need a little help for a little while. The whole downstairs would be yours with the exception of the laundry room. I am off the bus line and not too far from light rail. Please contact me for further.
