We're getting a group of fun and energetic people together to hand out promo cards between 12pm - 5pm on Friday (8/7) or Saturday (8/8) to people waiting in line to enter Outside Lands at Golden Gate Park.

This can be one of the easiest temp jobs for the right person - we're only looking for positive people that have a really positive outlook and love interacting with people, even if it means handing out promo cards for an awesome service.

Please send us a bit about yourself and a Facebook link to be considered last minute!

Pay is good because we want to attract great.
