I am looking for a family that would like to adopt my puggle Bella. Bella is 6 1/2 yrs old. I am getting ready to move and I am not in a stable position to be responsible for Bella. She is an amazing dog full of love. Bella loves to cuddle, play outside and take long naps.

Bella is not fixed and is in need of her current shots. Bella has a toe nail that needs to be cut by a doctor but all in all, she is a healthy happy dog. Bella loves to be around family so I am hoping to find a family that will love her, play with her and give her all the love she deserves. Please message me with any questions or if you are interested in her. Thank.
