I have several vintage steamer trunk travel chests. They have a wood frame with aluminum exterior skin. I believe that they are about 60 to 70 years old. They are functional, but show a lot of wear and tear. There are two sizes. The smaller one is 20"D x36"W x 13"H. The larger one is 20D"x40"Wx 21"H. They are great as antique dÃ.
