

9 Week Old Male Maltipoo For Adoption (walnut creek)

Location **California**
<https://www.genclassifieds.com/x-625248-z>

Hi there everybody! I have one male Maltipoo! Hismother is a purebred teacup Maltese! And the father is a Toy Poodle! I estimate he will not grow over 3-10 lbs. As of now he is in the process of being potty trained (On pee-pee pads)! He eats hard food and he love chicken and rice occasionally! He doesn't bark and he is friendly as can be! The parents are both Akc registered. \$500 Rehoming Fee does apply to ensure he will be in well taken care of homes! Thanks for reading and feel free to txt or call if you have any other questions.. Or would like more photos! ??
