

male chihuahua (clermont)

Location **Florida**
<https://www.genclassifieds.com/x-625314-z>

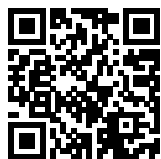

My male chihuahua needs to find his forever home. He is a loving boy, loves to cuddle sleeps under the covers with you and is 90% pad trained. He is about a year old has not been fixed yet. He is good with other dogs. I would prefer him to go to someone who already has a chihuahua or experience with the breed as they are hard to train. There is a rehoming fee. Please call or text for more.
