We're both in our early 30s and have been in other bands separately through the years, but we've been wanting to start a project together for some time now, we just haven't been able to find the right people/sound yet. Bassist lives in Pontiac, Drummer (and practice space) is in Flint. Carpooling is an option, if needed. Some of our influences: Deftones, GnR, Nirvana, Queens of the Stone Age, Kings of Leon, The Cure, Blondie, The Yeah Yeah Yeahs, Sublime, Beastie Boys, Fugazi, Pink Floyd, Led Zep, many others. What we are looking for is a talented guitarist and a great singer/songwriter (or a combo in 1), and possibly a keyboardist to help add atmosphere and layers to the sound. Age, race, gender, and orientation is unimportant; talent is key! Send a message if interested,!
