Hello I am looking to rehome my siberian husky. I can't no longer keep her and I really want her to go to a good home. She is 3 and a half months old. She is dewormed and has ALL her shots and she is on the flea pill monthly. She will come with all her stuff which includes bed, food trays shampoos toys leash collar. I am asking a 300 rehoming fee. If interested please contact me
