National indie arts organization RAW:natural born artists is seeking local talented artists in film, fashion, music, art, performing art, hairstyling, makeup artistry, photography and accessories.

RAW is accepting submissions to hand-select and spotlight these talents in your area!

RAW currently operates in 60 cities nationwide and counting. . .

RAW's mission is to provide tools and resources for independent artists through online marketing and features, monthly grassroots showcase events and media kits.

Selected RAW artists receive all of the above and also have an opportunity to showcase their work anywhere in the nation.

If you or someone you know is talented, creative and deserves the spotlight. . .
