

Remodeling Help Wanted (Omaha, NE)

Location **Iowa**
<https://www.genclassifieds.com/x-625754-z>

I have 2 houses that need remodeling assistance in order to get them ready to put on the market for sale. I am looking for a licensed contractor that can do the remodeling work needed to get them on the market. This would consist of roughly 2 - 4 weeks worth of work. Houses need some light electrical work, light plumbing work, tile work and some carpentry / cabinet work. Work can begin right away. Please reply to this post if.
