Hello,
I run a custom chassis shop out of my house part time (nights and week ends) aside from my 50 hr a week job.
I offer small engine repairs and replacements.
Light to medium welding of mild steel
custom project builds
want to race lawn tractors? I can help!
want to have that cool never seen before something for swap meets? I can help!
Want a cool parade vehicle that will turn heads? I can help!

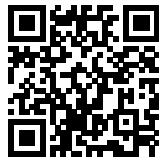

Special builds are all custom made per customer specs... Prices vari...

Any engine repair or welding is at \$45 per hor with a one hour minimum.
