Hi There,

We are Kim, Noah, and Kelvin. We are hoping to grow our family through Open Adoption. We were placed with our first son in November of 2013 and have a remarkable open relationship with our birth families. We are excited to grow our family through open adoption again.

If you, or someone you know, is considering adoption please contact us by whichever means feels most comfortable to you. Email/Call/Text.

We would love to get you know you, and if you'd like to learn more about us, follow/like us on facebook:
