The words below are for search engines to help you find our web page, and not necessarily what and where we have units for rent: we rent out mainly mobile homes in family parks and they are only in Payette, Idaho and Ontario, Oregon. Most units include water and sewer and garbage collection generally being paid by us. The trailers and parks depicted are trailers in our parks and are shown to show the atmosphere of the parks, and the general appearance of the parks, but the units shown are not necessarily units for rent at this time, please call our office for available units.
