PITTIE PROFILE: Adorable Dutchess has more than earned her refined name, this darling girl really is

puppy royalty! Still just a baby but ever so gentle, intelligent and affectionate. Dutchess has an adorable, loyal personality and her personality is her best asset and she can really show off some of her tricks! She loves to sit on command, shake a paw and even give hugs and kisses on demand. She is very friendly and loves to play with the dogs who love to play with her. She never lets go of her long and floppy ears and she has a few issues. Dutchess is a beautiful, playful, wonderful little doll who needs a loving home with a lot of exercise. Dutchess is about 1 year and 6 months old, she is spayed and microchipped and up to date on shots.

BEHAVIOR NOTE: Dutchess is energetic, dog friendly, curious with cats she sees on her walks. She walks nicely on leash, knows her basic commands, we recommend a home with teenagers.
