

Shop and Warehouse Space Available THIS IS FOR YOU (Ewing)

Location **New Jersey**
<https://www.genclassifieds.com/x-626569-z>

Hello,

I am looking to find someone to share either a portion or half of the commercial shop space I currently have.

The shop portion is fully equipped with wood working and metal working equipment, you would just need your own hand tools. The rear of the building is more of a storage and warehouse space. Full electric, and restroom included.

Contact us for more details. Pricing depends on space needed and equipment.
