## Make 100 in 4 hours this weekend

Location **Nebraska** https://www.genclassifieds.com/x-626987-z

Want to make \$100 for a 4 hour shift this weekend? Help needed immediately!

If you have a smartphone and access to reliable transportation, then now you can!

FlexTime is the new program from Survey.com that lets you earn up to \$150 per day by completing small projects at local stores. You'll do things like take inventory, put stickers on products, build shelves, and take photos of displays. Easy to follow project instructions are included in the app you'll use to complete your work.

You'll get paid every Monday for the previous week's work through PayPal.

To learn more about the projects available in your area, just reply to this ad and tell us what days and times you're free. We'll contact you with a few options. Projects pay up to \$18.75 per hour, and we usually schedule projects so that you have 4 or 8 hours of work - this way, you can make up to \$150 per day.

We schedule work on a first-come, first-served basis, so be sure to reply as soon as possible.
