Ocean Bridge Student Organization (ABA of C&T Education Inc.) is a New Jersey based organization serving international students attending local schools in the area. We are actively looking for host families located in and near Concord, New Hampshire 03301 for our international students attending Bishop Brady High School! We hope to find local families that love to meet new people and learn about other cultures.

We require each host family to provide a furnished bedroom, meals and transportation for our students. The monthly compensation depends on the quality of the house, the location as well as the contract terms, but most of our host families in New Hampshire get \$1,000 per month for hosting one student.

All of our students have valid health insurance, as well as extra funds for personal expenses such as clothes, school supplies and activities.
