The area from Hillsboro to Cornelius to Forest Grove is a wonderfully diverse community. We have people from many countries, languages and backgrounds living here. We are seeking members who look more like our community.

One of the best events of the year was put on by our Key Clubs as a fundraiser for the earthquake in Nepal. We had several Nepalese students and parents helping. We have no Nepalese members. This is what we want to improve.

We are the Kiwanis Club. We are expanding and asking for you to join our club.

Our Key Clubs and CKI students are of all varied backgrounds. We want as many of you from these various backgrounds to help us serve them better. We are looking for people of all nationalities and backgrounds: Hispanics, Asians, Middle Eastern. All of what makes this area so great. Kiwanis is not a religious organization. We want people from all walks and all religions.

Our clubs support 6 high school Key Clubs (high school Kiwanis) and we want to add 2 more (Gaston and Banks). We support a Circle K International at Pacific University (college Kiwanis) and we want to add more at PSU and PCC.

Kiwanis is an international service organization that serves the children world one child at a time. We do it by volunteering in small groups that lead to great friendships. This method also leads to great flexibility
