Do you need your hair done right now? Call or text me today, and the good thing is I'm mobile weekends. So if you book me a week in advance, you will lock in your day for me to show up and transform your beautiful and natural or on the way to being natural head. Let me bless you with my natural skills. You can come to me in Northeast Dallas near Garland or as I said I can come to you on the weekends. Feel free to ask me any questions that you may have about your hair and going natural or using products that help to make you go natural. I specialize in growing out your natural hair.
