Massage therapist in training looking for additional hands on experience.

Interested in male volunteers who want to receive a great massage at no cost.

My formal training includes Swedish, relaxation and some deep tissue techniques. I'm a 30-year-old male with a professional dance/gymnastics background and good understanding of muscular anatomy.

I'm looking for men to continue my training hours and potentially massage on a regular basis.

No hang-ups on body type, sexuality, race, or age - I only ask that you maintain good hygiene. Â

I will travel to you and bring my own professional table and equipment. The massage is free of charge, but tips are appreciated.

If you are interested or have questions, send me an email.

Thanks.
