Biker flying back from Sturgis rally needed two nights stay for sat 8th, sun 9th, and a lift to airport early Monday am for 6:00 am Monday my flight goes out 6:45 AM Monday the 10th, my friends are dropping me off at rapid city airport on Saturday the 8th in afternoon and would like to hang out with a young single women if possible or a biker couple that can put me up for two nights thanks. I am a single thin male with no drama just looking to find a place the hotels are full and charging top dollar, and why not give you the \$100.00 and I will be back in two years again. Just hoping not to have to hang around a airport for two days thanks for your help
