I'm looking for quick assistance cleaning out our house. The rats got in Last winter, we laid down poison, and haven't seen any activity. There is of course a "Piss" smell when you walk in, but I have both dust masks and cover-alls, gloves etc. I have 2 couches that need to be pulled out and a mattress, the rest I can do myself, or pay someone to do it for me.

Let me know if you can help.

Looking for a guy under 30 that is good looking and wants to make some money doing yard work and or general rehab labor . Pay is negotiable .

Vehicleve a bunch of tile work this week and I need a driver helper. My Vehicle is out of commission til next week. We can discuss pay when you contact me. Either no experience and be a helper or someone who can actually do tile. I would prefer to do tile myself mostly though. Im not a dick and I'm not cheap. I won't bullshit you or cut you short. If this works out could lead to future work even when I have my ride back. I have all tools needed, if you have any feel free to bring. Again, no experience needed just be able to drive. Cash money
