

Gray female kitten (Leesville)

Location **South Carolina**
<https://www.genclassifieds.com/x-628187-z>

Solid gray kitten approx 13 weeks old. Found at age 6 weeks in our yard, starving and flea infested. Now healthy and flea free and super super sweet and affectionate. Not scared of anything. Loves dogs, kids, anything she meets. We are just not up to the extreme kitten energy!! She has been strictly indoors since we found her. She will make someone a great cat. To approved.
