Sears/Kenmore Ultra Fabric Care dryer, working and in excellent condition. Very clean, well maintained, and no rust or scratches. Hook up ready to any standard gas line. Bought as a washer/dryer set, but we need an electric. WE WILL DELIVER TO YOUR HOME. I am an individual seller, not a dealer or store. This is a very good dryer, perfect for anyone who needs a reliable gas dryer but who (like me) cannot afford a brand new!
