Moscovy Ducklings (Carpenter, WY)

Location Wyoming https://www.genclassifieds.com/x-628531-z

Moscovy ducklings, and more ducklings, all various colors. We have plenty to choose from. Come take a look.

Great pets or meat birds. Meat is not greasy like other ducks. As pets, they are very personable and will follow you around as you befriend them. They also help keep down the insect population. Once they are older, they pretty much take care of themselves.

No guarantee of sex. \$5 each or 3/\$10. Call 307-sixfourninetwo49two if interested or want more information. Get them while they are still fuzzy and!
