

Looking for the best place to take my (Park City or nearby)

Location **Utah**

Car for a safety check that won't make me take the 10 year old tint off of my windows!! (Still looks fantastic)

I live in Park City so someplace in the 20-40 mile radius would be ideal. If the place could be certified to do the VIN & safety check at the same time (no emissions required). Prefer a neighborhood type shop, but if you've got a recommendation- I'm listening.

** Thanks!
