Lost Black Domestic Male Cat.. MR. KITTEN

He has been missing since JULY 14TH.

He was last seen near STELLA'S GRILL at 4291 S. 900 East in MILLCREEK.
If you live near by, could you please check yards & garages?

He has short to medium length fur and weighs 16-20pounds and is approx 6 years old.
His paws in the rear are both white across all his toes. His front paws are white on his 2 middle toes with a couple of small white spots on his belly.

MR KITTEN is very well mannered and tame. He is part of our family and we miss him dearly. He truly means the world to me. He is my family.. my heart is broken without him. Please help!

We've checked the shelters almost every day from the day he didn't come home. We have even gone to shelters out of our jurisdiction. He has been known to get in vehicles & trailers at my home. Never seen him get in the neighbors. We have a restaurant down the street & it's very popular. It's possible he went for a ride.. Thank you again!

Please if you see him call or text me anytime, day or night.....even the middle of the night. CONTACT
