Offering childcare/preschool in homestyle setting. All ages and needs are welcome. We live in Southside Elementary school district. I am a mother of four, ages seven to seventeen. I absolutely adore infants!! In addition to ten plus years experience in Childcare, I am certified in CPR and First Aid, have firsthand experience with mild autism, have taken many classes in Child Development.

Limited television time. Arts and crafts, music, dramatic play, sensory play, outdoor play, reading, writing and math skills. Experience as an Army family childcare provider and worked in a center setting, so I have many tools in my childcare toolbelt.

Sibling discount/Hours are flexible. More than a babysitter. Weekends extra.

Good luck and hope to hear from you! :)
