

KittenCat needs new home (Queen Creek)

Location **Arizona**
<https://www.genclassifieds.com/x-628712-z>

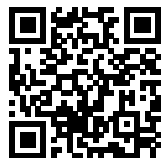

This kitten is a stray that found her way home to us. We have not been able to locate her owners and suspect she was dumped in our neighborhood by someone. She is really sweet but does not like other cats/dogs. You have to meet her to believe how sweet she is, she greets you with chirps and has a very soft meow. Please call to talk about the qualifications to own this beautiful.
